0.95

Uw for Ug = 0.5
(Ultimate spacer)*

MB-86 Casement is a system of outward opening windows. It allows you to craft top-hung tilting windows and side-hung casement windows. Customers can choose from two types of hinges – ROTO roller hinges and SECURISTYLE scissor hinges, in three variants: Sterling, Defender and Defender Egress.

*The above value of Uw is given for a reference window with dimensions of 1230 x 1480 mm, in the best thermal

variant.
